Re: Amended Solid Waste Facility License No. L-043-12B for Grimm's Fuel Company, Inc.

Dear Mr. Grimm:

I am writing to provide you with a copy of amended Solid Waste Facility License No. L-043-12B for Grimm's Fuel Company, Inc. This amended license includes a six-month term extension and carries forward all of the other conditions of the current license until December 31, 2017. There are no other substantive changes in the amended license.

As we previously discussed, this short-term license extension is intended to allow for additional opportunity for the public to provide feedback on the license renewal application that was submitted to Metro on February 28, 2017. Any comments received about the facility operation during this notice period will be taken into consideration by Metro and may inform future license conditions.

Attached is a copy of Metro Solid Waste Facility License No. L-043-12B for your records. I recommend that you review the terms of the license carefully as its provisions are effective immediately. Metro has extended the license with no changes or additional conditions.

Under Metro Code Chapters 2.05 and 5.01, you have the right to request a contested case hearing regarding the amended provisions contained in the license. In order to do so, you must make this request in writing and ensure that Metro receives the request within 30 days of the date this letter was mailed. Any such request should be directed to my attention at Metro. You may retain legal counsel to represent you at the hearing. Article XI, Section 14 of the Oregon Constitution, the Metro Charter, ORS Chapter 268, and Metro Code Chapters 2.05 and 5.01 provide Metro's authority and jurisdiction for the hearing.

If you have any questions regarding this matter, please contact Hila Ritter at (503) 797-1862.

Sincerely,

Hila Ritter
Solid Waste Authorization Coordinator
